

Dear Friends of Bad Axe,

*The Bad Axe Museum of Local History, located at 303 N. Port Crescent Street, is dedicated to the preservation of the history of Bad Axe. The front walk from the main sidewalk to the museum entrance needed to be replaced due to broken and missing cement which could cause stumbling. We installed our Brick Paver Project at the Bad Axe Museum of Local History (AKA The Allen House) on July 1, 2021. **Now as you approach the museum, there is a beautiful brick paver sidewalk. It includes pavers engraved with names from past and present families, businesses or individuals that add to the history of Bad Axe.***

### **YOU CAN STILL PURCHASE BRICK PAVERS!!!**

When you purchase bricks, we need to wait until we have enough orders to have them engraved. After they are engraved, we will remove blank bricks in the sidewalk and insert the engraved ones.

You can buy brick pavers to honor or memorialize yourself, a loved one, a business, your graduation class... Bad Axe Marble agreed to engrave a broken hatchet/axe on bricks so you can say BAHS or Bad Axe High / Class of XXXX / and have an image of the Broken Axe on the third line OR place your Name / BAHS XXXX/ and have an image of the Broken Axe on the third line. For only \$30!

**These would be a unique gift to share with family, employees, or businesses to be a part of the memory and history of Bad Axe.**

**Please use attached order form to purchase bricks.**

You will need to use a separate order form for each brick.

**Cost:**

Engraved Bricks - Small \$30.00 or Large \$50.00

*The Historical Society has a small membership and is an entirely volunteer organization.  
We actively look for new members and financial aid to operate to our fullest.  
We appreciate your financial assistance to keep the museums open, and available to all.*
